HEIGHT																																																																																			
Height under 6' or over 9'	DISQUALIFIED																																																																																		
TAPER																																																																																			
Taper less than 40% or more than 100%	Deduct 10 pts _____																																																																																		
HANDLE																																																																																			
Less than 6	Deduct 10 pts _____																																																																																		
More than 9	Deduct 5 pts _____																																																																																		
Poorly trimmed	Deduct 0 - 5 pts _____																																																																																		
Uneven	Deduct 0 - 5 pts _____																																																																																		
TOP																																																																																			
Multiple top	Deduct 0 - 10 pts _____																																																																																		
Too long	Deduct 0 - 5 pts _____																																																																																		
Too short	Deduct 0 - 5 pts _____																																																																																		
Sparse or no needles	Deduct 0 - 5 pts _____																																																																																		
FOLIAGE																																																																																			
Dry	Deduct 5 - 10 pts _____																																																																																		
Off color	Deduct 5 - 10 pts _____																																																																																		
Medium density	Deduct 5 pts _____																																																																																		
Light density	Deduct 7 - 10 pts _____																																																																																		
Uneven vertical density	Deduct 5 - 10 pts _____																																																																																		
Uneven density between faces	Deduct 5 - 10 pts _____																																																																																		
DAMAGE																																																																																			
Insect	Deduct 5 - 10 pts _____																																																																																		
Disease	Deduct 5 - 10 pts _____																																																																																		
Mechanical	Deduct 5 - 10 pts _____																																																																																		
Chemical	Deduct 5 - 10 pts _____																																																																																		
CLEANLINESS - NO FOREIGN MATERIALS																																																																																			
Light accumulation	Deduct 1 - 4 pts _____																																																																																		
Medium accumulation	Deduct 5 - 7 pts _____																																																																																		
Heavy accumulation	Deduct 8 - 10 pts _____																																																																																		
OTHER DAMAGE OR DEFECTS																																																																																			
Dead twigs	Deduct 0 - 10 pts _____																																																																																		
Multiple or curved stem	Deduct 0 - 10 pts _____																																																																																		
Weak lower whorl	Deduct 0 - 10 pts _____																																																																																		
Tree poorly shaped	Deduct 0 - 10 pts _____																																																																																		
Excessive gap between whorls	Deduct 0 - 10 pts _____																																																																																		
Incomplete whorl	Deduct 0 - 10 pts _____																																																																																		
Hole in main body of tree	Deduct 0 - 10 pts _____																																																																																		
Crows nest or horns	Deduct 0 - 10 pts _____																																																																																		
Excessive pruning	Deduct 0 - 10 pts _____																																																																																		
<b>TOTAL DEDUCTIONS:</b>	<div style="border: 1px solid black; width: 100px; height: 30px; margin: 0 auto;"></div>																																																																																		

OVERALL APPEAL	
Up to 25 points may be given at judge's discretion for exceptional appeal. A decision to award points is made independently of the above components of judging. In many cases very few trees may receive bonus points.	
<b>TOTAL BONUS POINTS:</b>	<div style="border: 1px solid black; width: 100px; height: 30px; margin: 0 auto;"></div>

SCORING	
Total Possible Points	230
Minus Deductions	
Subtotal	
Bonus points (if any)	
<b>TOTAL SCORE</b>
